## Ground Floor (2nd floor) Points of Interest

### **"The Family" by Charles Umlauf**

On our patio is a sculpture titled "The Family" by Charles Umlauf, a past University professor of art and noted sculptor. It was donated to the School in 1962 as a symbol of the most basic economic unit of society (in fact, the word economics is derived from the Greek word for household).

### **BBA Career Management CBA 2.116**

A key resource to students exploring careers, searching for internships, and preparing for interviews, McCombs Career Services gets an A+ Job Placement rating from Bloomberg Businessweek.

### **Stock Market Post No. 5 East Entrance**

This stock ticker was one of 17 original trading stations installed at the New York Stock Exchange in 1929. In 1980, the Exchange replaced all the manual trading posts with sophisticated electronic ones, and UT acquired Post No. 5 thanks to a \$37,000 fund-raising drive by alumni. Today, the ticker serves as a reminder of McCombs strong ties to Wall Street.

## Did you know?

The Texas McCombs BBA Program has been ranked by U.S. News & World Report in the top 8 for 21 years in a row!

## Ground Floor (2nd floor) Points of Interest

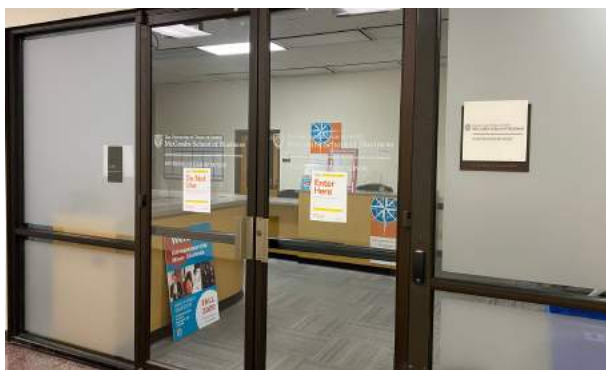

### **BBA Program Office CBA 2.300**

The BBA Program Office is the hub of all academic information and resources for BBA students. Students can visit the BBA Program Office to meet with academic advisors to plan their coursework for the semester, speak to Study Abroad Advisors, or find ways to get involved in student organizations by meeting with the Office of Student Life.

### **Canfield Business Honors Program Office CBA 2.500**

The Canfield Business Honors Program Office is home to current and prospective students alike to learn more about Canfield BHP. Here you will find academic and peer advisors who are eager to assist students with any academic questions. The open and collaborative space is often used as a study spot and meeting area by current Canfield BHP students.

### **Entrepreneurship Minor Office Area GSB 2.130**

The mission of the Herb Kelleher Center for Entrepreneurship, Growth, and Renewal is to encourage and empower entrepreneurial thinking through outstanding teaching, research, engagement, and experiential learning. The ground floor office of the Kelleher Center, houses the Entrepreneurship Minor Program. Built for undergraduate students who are passionate about solving problems, the Entrepreneurship Minor equips individuals with the tools and skills needed to innovate through entrepreneurship.

## Did you know?

## Ground Floor (2nd floor) Points of Interest

### History of McCombs

Next to the Dean's Office is the History Exhibit. The school developed the exhibit with the help of the Director of Exhibits for the Bob Bullock Museum. It depicts the evolution of the school and its impact in the state of Texas over its 80-year history.

## 3rd Floor Points of Interest

### Salem Center for Policy *GSB 3.118*

Launched in 2020, the Salem Center for Policy is dedicated to helping students and business leaders better understand the costs, benefits, and consequences of policy decisions. The Salem Center works with students, policymakers, and business leaders to advance the use of data science in public policy research and practice.

### Financial Education & Research Center *GSB 3.120*

A state-of-the-art trading, research and teaching facility, the FERC enables students to participate in the development of new applications of information technology to finance. Also home to the Financial Analyst Program that gives undergraduate students an opportunity to gain investment experience managing a fund of over \$17.1 million.

## 3rd Floor Points of Interest

### **Frito Lay Student Leadership Center** CBA 3.328

Located next to O's Café, The Frito-Lay Leadership Center is a dedicated space for McCombs Affiliated Student Organizations to meet and collaborate. The Frito, as it is lovingly known, serves as a home away from home for many students. The space is equipped with two conference rooms to hold meetings, and closets that are utilized to store suits for interviews.

### **The Atrium** CBA 3rd floor

A popular hang-out and study area for students, the Atrium is the social center of the McCombs School. The nearby O's Café is also a common spot for students to buy meals to enjoy in the Atrium during a study session or meet up with classmates and friends.

## 4th Floor Points of Interest

### **Ford Career Center** GSB 4.114

Nearly 500 firms come to the Ford Career Center every year to interview McCombs students. It includes 43 private interviewing suites—some equipped with virtual interviewing capabilities—a recruiter lounge, and a beautiful, single-point-of-service foyer. Many companies conduct first-round interviews in the Ford Career Center for McCombs students applying for internships or full-time employment opportunities.

## 4th Floor Points of Interest

### **NRG Productivity Center** *GSB 4.112A*

The NRG Productivity Center is a popular study area for students that was created with a gift from Reliant Energy. This center is a state-of-the-art laptop lounge equipped with 200+ IP ports and full wireless access that can be used for individual or group study.

## 5th Floor Points of Interest

### **Active Learning Classrooms** *5th floor*

These “team-based, adaptable and state-of-the-art learning environments” represent an important innovation in classroom design and an important new resource for the McCombs community. The design of the space lets instructors easily switch between presenting to the entire class and consulting with individual student groups on their work providing a well-balanced learning experience.
