**Houston, TX**

Bill Montgomery is a partner of Quantum Energy Partners and is a member of Quantum's Executive and Investment Committees. Founded in 1998, Quantum is a leading provider of private equity capital to the global energy industry and has managed more than \$13 billion of equity commitments since its inception. Montgomery is responsible for originating and overseeing investments in the oil and gas upstream and oilfield service sectors. Prior to joining Quantum, he was a

partner in the Investment Banking Division of Goldman, Sachs & Co. where he headed the firm's Natural Resources Group as well as its Houston office. His career as a banker spanned 22 years and was focused on large cap energy companies primarily in the upstream and oil service sectors. He currently serves on the boards of Apache Corporation, Enterprise Products Holdings, LLC, and Cockrell Interests. He has also been an active civic leader, chairing the boards of The Houston Museum of Natural Science, and The St. Francis Episcopal Day School and currently serves on the board of trustees of The Kinkaid School, The Episcopal Health Foundation and the Board of Visitors of the MD Anderson Cancer Center. Montgomery earned his BBA from The University of Texas and his MBA from The Wharton School of the University of Pennsylvania.
