## **RESEARCH INTERESTS**

---

Behavioral interventions, influence and persuasion, framing, psychology and policy, behavioral decision-making, motivation, self and identity, political psychology

## **ACADEMIC POSITIONS**

---

Assistant Professor of Business, Government, and Society, McCombs School of Business, University of Texas at Austin, July 2020 – present

Co-Founder and Co-Director, Texas Behavioral Science and Policy Institute, July 2020 – present

Faculty Research Associate, Population Research Center, University of Texas at Austin, October, 2020 – present

Assistant Professor of Behavioral Science, Booth School of Business, University of Chicago, July 2015 – June, 2020

Behavioral Science and Policy Residential Faculty Fellow, Population Research Center, University of Texas, Austin, October, 2019 – December, 2019

Fellow, Center for Advanced Study in the Behavioral Sciences, Stanford University, September, 2018 – June, 2019

Assistant Professor, Department of Psychology, University of California, San Diego, July 2012 – June 2015

Post-doctoral Fellow, Department of Psychology and Stanford Center on Longevity, Stanford University, July 2009 – June 2012

## **EDUCATION**

---

Ph.D. Psychology, Stanford University	2009
Thesis: Political mindsets: Effects of schema priming on political judgments.	
Committee: Lee Ross (chair), Carol Dweck, Chip Heath, Mark Lepper, Greg Walton	
B.A. Psychology, McGill University	2002

**RESEARCH GRANTS**

---

Principal Investigator: Reducing youth gun carrying by framing civic engagement as an alternative source of empowerment. The Joyce Foundation. (Co-Investigator: Cintia Hinojosa), \$565,285.	2019-2021
Principal Investigator: Exploring opportunities for behavioral intervention research in sub-Saharan Africa. Wellspring Advisors. \$25,000.	2016-2018
Co-Principal Investigator: I'm Going to Vote Today: A Randomized Field Experiment. Knight Cities Challenge, John S. and James L. Knight Foundation. (PI: Aaron Sackett) \$170,275.	2016-2018
Principal Investigator: Bringing Purpose to Healthy Eating: A Randomized Intervention Experiment. Bridging Research and Practice Grant, Character Lab. (Co-Investigator: David Yeager), \$299,735.	2015-2018
Principal Investigator: Driver Behavior and Messaging: Research Using Dynamic Message Signs (DMS). Idaho Transportation Department, Office of Highway Safety. \$75,000.	2014-2018
Principal Investigator: Bringing Purpose to Healthy Eating: A Classroom-Based Intervention Experiment. New Paths to Purpose Initiative, Templeton Foundation. (Co-Investigator: David Yeager), \$139,966.	2013-2015
Co-Principal Investigator: Scarcity, Cognitive Function, and Stress. Center for the Demography of Aging, Princeton University. (PI: Eldar Shafir), \$74,860.	2011-2015
Principal Investigator: Voting vs. being a voter: Exploring the process behind a phrasing effect on turnout. Time-sharing Experiments in the Social Sciences. (Co-investigators: Greg Walton and Todd Rogers), Supported project.	2010
Principal Investigator: Increasing retirement saving rates by debunking the "misery myth." Center on Advancing Decision Making in Aging, Stanford University. (Co-investigator: Greg Walton), \$29,500	2010
Principal Investigator: Boosting voter turnout by invoking identity. Time-sharing Experiments in the Social Sciences. (With Greg Walton and Todd Rogers), Funded project.	2008
Principal Investigator: Exploring the effectiveness of duty-based arguments for retirement saving. Center on Advancing Decision Making in Aging, Stanford University. (Co-PI: Hal Hershfield, Faculty advisor: Lee Ross), \$38,750	2008

Research Grant, Stanford University Graduate Research Office, \$4,000	2007
Norman H. Anderson Research Grant, Department of Psychology, Stanford University	2007
Norman H. Anderson Research Grant, Department of Psychology, Stanford University	2004

### **AWARDS, FELLOWSHIPS & HONORS**

---

FMC Faculty Scholar, Booth School of Business, University of Chicago.	2015-2020
Postdoctoral Fellowship, Stanford University Center on Longevity	2009-2012
Graduate Fellowship, Stanford University Center on Philanthropy and Civil Society	2008-2009
Albert H. and Barbara R. Hastorf Prize for Teaching, Department of Psychology, Stanford University	2008
Stanford University Centennial Teaching Assistant Award	2006
Graduate Fellowship, Stanford University Center on International Conflict and Negotiation	2005-2006
Scholarship, Inter-University Consortium for Political and Social Research	2004

**PEER-REVIEWED CONFERENCE PRESENTATIONS**

- Bryan, C. J., Medrano, F. N., Josephs, R. (2019, March). A brief “values-alignment” intervention improves dietary preferences more strongly among adolescents higher in testosterone. Paper presented at the Society for Research on Educational Effectiveness Annual Conference, Washington, DC.
- Bryan, C. J., Hinojosa, C. P., & Yeager, D. S. (2017, October). Inoculating teens against the tempting power of food ads. Paper presented at the Society for Experimental Social Psychology Annual Conference, Boston, MA.
- Bryan, C. J., Yeager, D. S., Hinojosa, C., Chabot, A., Bergen, H., Kawamura, M. & Steubing, F. (2016, May). Stick it to the man: Building purpose for healthy eating in adolescence. Paper presented at the Association for Psychological Science Annual Conference, Chicago, IL.
- Bryan, C. J., (2016, May) A case for a return to Lewinian field research. Paper presented at the 10<sup>th</sup> Triennial Choice Symposium, Lake Louise, AB, Canada.
- Bryan, C. J., & Alvernaz, D. (2016, January). Being by doing: When what you do shapes who you are. Paper presented at the Society for Personality and Social Psychology Annual Conference, San Diego, CA.
- Bryan, C. J. & Chabot, A. M. (2015, July). Please slow down: A scientific approach to traffic safety messaging. Paper presented at the Western Association of State Highway and Transportation Officials Annual Conference, Boise, ID.
- Bryan, C. J., Yeager, D. S., Hinojosa, C. & Kawamura, M. (2015, February). Sticking it to the man: Framing healthy eating as rebellious and socially conscious shapes teens' attitudes and motivates healthy choices. Paper presented at the Society for Personality and Social Psychology Annual Conference, Long Beach, CA.
- Bryan, C. J., & Alvernaz, D. (2014, October). Being by doing: When what you do shapes who you are. Paper presented at the Society for Experimental Social Psychology Annual Conference, Columbus, OH.
- Bryan, C. J., & Cornick, J. (2014, July). Sentencing children to die in prison: Essentialist language increases the favorability of life sentences for minors. Paper presented at the European Association for Social Psychology Annual Conference, Amsterdam, Netherlands.
- Bryan, C. J., Walton, G. M., Adams, G. S., Monin, B., Rogers, T., & Dweck, C. S. (2014, May). Being by doing: Influencing behavior by invoking the self. Paper presented at the Association for Psychological Science Annual Conference, San Francisco, CA.
- Bryan, C. J., Adams, G. S., & Monin, B. (2013, November). When cheating would make you a cheater: Implicating the self prevents unethical behavior. Paper presented at

- the Society for Judgment and Decision Making Annual Conference, Toronto, Canada.
- Bryan, C. J., Adams, G. S., & Monin, B. (2012, October). When cheating would make you a cheater: Implicating the self prevents unethical behavior. Paper presented at the Society for Experimental Social Psychology Annual Conference, Austin, TX.
- Bryan, C. J., Adams, G. S., & Monin, B. (2012, January). 'Cheating' vs. 'being a cheater': A subtle change in phrasing prevents unethical behavior. Paper presented at the Society for Personality and Social Psychology Annual Conference, San Diego, CA.
- Bryan, C. J., Walton, G. & Dweck, C. S. & Rogers, T. (2011, January). Voting versus being a voter: Motivating behavior by invoking the self. Paper presented at the Society for Personality and Social Psychology Annual Conference, San Antonio, TX.
- Master, A. L. & Bryan, C. J. (2010, January). Little helpers: Nouns motivate helping behavior more than verbs. Poster presented at the Society for Personality and Social Psychology Annual Conference, San Antonio, TX.
- Liberman, V., Minson, J. A., Bryan, C. J. & Ross, L. (2009, August). The limited wisdom of dyads: Naïve realism, false consensus, and failure to benefit from aggregation. Paper presented at the Academy of Management Annual Conference, Chicago, IL.
- Bryan, C. J., Ersner-Hershfield, H., & Ross, L. (2009, November). Owing it to yourself: Testing a duty-based argument for retirement saving. Poster presented at the Society for Judgment and Decision Making Annual Conference, Boston, MA.
- Bryan, C. J., Ersner-Hershfield, H., & Ross, L. (2009, February). You owe it to yourself: Exploring the Effectiveness of Duty-Based Arguments for Retirement Saving. Poster presented at the Society for Personality and Social Psychology Annual Conference, Tampa, FL.
- Bryan, C. J., Dweck, C. S., Ross, L., Kay, A. C., & Mislavsky, N. O. (2008, February). Ideology as mindset: Effects of meritocracy primes on liberal-conservative political assessments. Paper presented at the Society for Personality and Social Psychology Annual Conference, Albuquerque, NM.
- Ross, L., Minson, J. A., Liberman, V. & Bryan, C. J. (2008, February). Naïve realism and its consequences. Paper presented at the Society for Personality and Social Psychology Annual Conference, Albuquerque, NM.
- Ross, L., Minson, J. A., Liberman, V. & Bryan, C. J. (2007, May). When are two heads better than one: Accuracy and disagreement in dyadic decision-making. Poster presented at the American Psychological Society Annual Conference, Washington, D. C.
- Minson, J. A., Liberman, V., Bryan, C. J. & Ross, L. (2007). Knowing it all: Failure to assign appropriate weight to another's judgment. Poster presented at the Society for Personality and Social Psychology Annual Conference, Memphis, TN.

- Bryan, C. J., Krosnick, C. J., & Lepper, M. R. (2005, January). The Effect of values on attitude importance and attitude-expressive behavior. Poster presented at the Society for Personality and Social Psychology Annual Conference, New Orleans, LA.
- Bryan, C. J., Horberg, E. J., Jochum, R., DiDio, P., & Koestner, R. (2004, January). Keeping your New Year's resolutions: Effects of self-efficacy, action identification and implementation intentions. Poster presented at the Society for Personality and Social Psychology Annual Conference, Austin, TX.
- Bryan, C. J., Veronneau, M.-H., Taylor, G., & Abela, J. R. Z. (2003, April). The development of negative self-complexity in early adolescence. Paper presented at the Biennial Conference of the Society for Research in Child Development, Tampa, FL.
- Veronneau, M.-H., Bryan, C. J., Taylor, G., & Abela, J. R. Z. (2003, April). A test of the diathesis-stress and symptom components of the hopelessness theory of depression in adolescence. Paper presented at the Biennial Conference of the Society for Research in Child Development, Tampa, FL.
- Veronneau, M.-H., Lefebvre, N., Sarin, S., Abela, J. R. Z., Bryan, C. J., & Taylor, G. (2003, April). The development of cognitive vulnerability to hopelessness depression in early adolescence. Paper presented at the Biennial Conference of the Society for Research in Child Development, Tampa, FL.

## TEACHING

---

- Instructor, Strategies and Processes of Negotiation (BUSF 38103), Booth School of Business, University of Chicago, Spring, 2020.
- Instructor, Strategies and Processes of Negotiation (BUSF 38103), Booth School of Business, University of Chicago, Winter, 2018. Mean instructor evaluation: 4.75/5
- Instructor, Strategies and Processes of Negotiation (BUSF 38103), Booth School of Business, University of Chicago, Spring, 2017. Mean instructor evaluation: 4.61/5
- Instructor (with Anuj Shah), Current Topics in Behavioral Science III: Experimental Behavioral Science in Field Settings (BUSF 38903/PSYC 38903), University of Chicago, Winter, 2017. Mean instructor evaluation: 4.6/5
- Instructor, Strategies and Processes of Negotiation (BUSF 38103), Booth School of Business, University of Chicago, Summer, 2016. Mean instructor evaluation: 4.55/5
- Instructor, Introduction to Social Psychology (PSYC 104), University of California, San Diego, Winter, 2015. Instructor evaluation (percent recommend): 93.0%

Instructor, Introduction to Social Psychology (PSYC 104), University of California, San Diego, Winter, 2013. Instructor evaluation (percent recommend): 96.3%

Guest Lecturer, How to Think Like a Psychologist (Continuing Studies at Stanford), Stanford University, Winter, 2012.

Guest Lecturer, Social Psychology and Public Policy (PUB POL 205B), Interdisciplinary Program in Public Policy, Stanford University, Spring, 2009.

Guest Lecturer, Judgment and Decision Making (PUB POL 205A), Interdisciplinary Program in Public Policy, Stanford University, Winter, 2009.

Guest Lecturer, Psychology Teaching Methods (PSYCH 291), Department of Psychology, Stanford University, Fall, 2007.

Guest Lecturer, Contemporary Issues and Research in Psychology: Proseminar for Advanced Psychology Majors, Department of Psychology (PSYCH 196), Stanford University, Fall, 2007.

Lecturer, Department of Psychology Teaching Assistant Training Day, Stanford University, Fall, 2007.

Guest Lecturer, Judgment and Decision Making (PUB POL 205A), Interdisciplinary Program in Public Policy, Stanford University, Fall, 2007.

Teaching Assistant, Advanced Statistical Techniques and Theory (PSYCH 253), Department of Psychology, Stanford University, Spring 2007.

Co-Instructor, Introduction to Social Psychology (PSYCH 108S), Department of Psychology, Stanford University, Summer 2006.

Teaching Assistant, Introduction to Statistical Methods (PSYCH 10), Department of Psychology, Stanford University, Winter 2006.

Guest Lecturer, Contemporary Issues and Research in Psychology: Proseminar for Advanced Psychology Majors, Department of Psychology (PSYCH 196), Stanford University, Fall 2005.

Teaching Assistant, Statistical Methods for Behavioral and Social Sciences (PSYCH 252), Department of Psychology, Stanford University, Fall 2005.

Guest Lecturer, Contemporary Issues and Research in Psychology: Proseminar for Advanced Psychology Majors (PSYCH 196), Department of Psychology, Stanford University, Winter 2005.
